

– Exhibition "Experimental Residential and Urban Development"

In the framework of the research field "Economic and quality-conscious new construction of one and two family houses in prosperous regions" the Federal Office for Building Industry and Regional Development presents six model projects. Bremen, Osnabrueck, Worms, Karlsruhe and Munich and Leipzig present their approach and concepts, how they react on the specific living requirements of building owners and users.

– Exhibition open from 13. until 18. September 2005 at "Staedtisches Kaufhaus"

– Contact person: Christoph Scheffen, immothek info@selbstnutzer.de, www.selbstnutzer.de Tel. +49 0341/22 54 09 44

– Urban Party

– 14. September, 7.30 p.m., location "Staedtisches Kaufhaus" Opening by the mayor of Leipzig Wolfgang Tiefensee

– Final Conference "Re Urban Mobil"

The results of the EU-Project Re Urban Mobil will be presented: Strategies of re-urbanisation facing the conditions of demographic change; Conference with partners from 8 European Union countries and the cities Bologna, Ljubljana, León and Leipzig. Parallel an architecture workshop dealing with inner-city forms of living takes place (simultaneous interpreting German/English)

– 14.-15. September 2005, Conference at "Staedtisches Kaufhaus"

– Contact person: Ute Lenssen, ulenssen@leipzig.de Tel. +49 0341/1 23 54 96

– Bus Tours to Self-User and Urban Renewal Projects

Daily bus tours to a selection of self-user projects throughout the city. Along the route realised projects as well as building sites will be presented. At the same time urban renewal projects will be visited. Participants have the opportunity to experience the quality of inner-city living near new green spaces, urban squares and temporary green directly.

– URBAN Bicycle Rallye

An informative bicycle rallye in the West of Leipzig gives the opportunity to experience the realised and coming changes of this quarter by the EU-Programme URBAN II. The West of Leipzig is subject to a dramatic change from a former industrial area to a green quarter and prosperous residential area – various free spaces usable for economical, urban and socio-cultural projects are developed creating new qualities and present themselves to the inhabitants of the area as well as the whole city.

– 17. September 2005, 1.00 – 4.00 p.m.

– Contact person: Ulrike Kalteich, URBAN II Coordination kalteich@urban-leipzig.de, www.urban-leipzig.de Tel. +49 0341/8 70 59 33
